

Oberon

rogue wolfhound

Skill: FIND SAUSAGE: Oberon may bring one Magic Sausage card out of the deck or the discard pile and put it into play. Reshuff e your deck afterward. This may be done once per round.

Bonus: While Oberon is in play, Atticus O'Sullivan gains +1 attack.

<I think we should start recruiting a horde now and have them muster on the Mongolian steppes. We can join them in the spring and then ride to glory>

3/8

Granaille

rogue barmaid

Skill: FISH N' CHIPS N' a PINT: Once per round, Granaille can give a friendly combatant or badass +2/+2 until the end of the turn.

Skill: GOOD KARMA. If Granaille blocks or is targeted by Laksna Kulasekaran, Laksna takes 5 damage.

"She did not earn tips from her cleavage, like many barmaids do, but rather depended on her green eyes, her pouty lips, and the light dusting of freckles on her cheeks."

2/4

Coyote

rogue trickster

Skill: DISTRACTION. Target card (including god cards) gets -2/-2 for one turn. You may use this once per round. If used against Basasael, it's -3/-3.

Skill: REBIRTH. If Coyote is killed, return him to play on the next round. He cannot use the Distraction skill until he has been in play a full round.

"How many times can you come back from the dead, Mr. Druid? Me an' my brothers can come back all we want, but I reckon we only have to kill you once."

3/3

The widow MacDonagh

rogue Irish lady

Skill: LIQUID COURAGE. When the widow comes into play, all friendly non-god cards get +1/+1 until the end of the turn.

Skill: PRAYER. When the widow comes into play, you may search your deck for The Virgin Mary and put that card into your hand. Reshuff e your deck afterward.

"Ah, well then ye can bury the bastard in me backyard, and God damn the Queen and all her hellish minions."

1/2

The Virgin Mary

holy visitation

When the Virgin Mary comes into play, Atticus O'Sullivan gets +2/0 for one turn and the widow MacDonagh gets 0/+7 permanently. If two widows are in play, both widows get the buff, but widows cannot be buffed twice. Also, one of the tweekers on Apache Boulevard will be cured of his addiction, so play this card and get rid of tweekers.

"Tell Jesus I said hi, and we should have a beer next time he's in the neighborhood."

The Moon

astronomical visitation

This ain't the Moon Over My Hammy

When the Moon comes into play, all werewolves (including opponent's) gain +1/+1 for two rounds. Werewolves that come into play on your next round get +1/+1 for that round only.

"You don't do any mucking about with the moon, then?"

Arcane Ritual

diabolile visitation

When Arcane Ritual comes into play, you may place up to two demon cards directly into play, either from your hand or from your deck. If you play one or both from your deck, reshuff e your deck. Basasael is a demon.

"Demons smell like ass, nasty ass that slithers down your throat, finds your gag reflex, and sits on it with authority."

Mr. Semerdjian's Garage

neighborly visitation

When Mr. Semerdjian's Garage comes into play, destroy one demon, which (except Laksna), bacchant, r boig, or kabbalist of your choice.

"Wow," I said. "It's just like my garage, except with extra overkill."
